

2021 ANNUAL REPORT

MESSAGE FROM THE EXECUTIVE DIRECTOR

“We all need more than anyone can give right now”

I shared this quote a year ago and it still rings true today. Two years of pandemic have left many of us hurting, feeling lesser, lonely or worse. We're all in need of healing.

I have had the honor of witnessing a staff and volunteer corps who have been resilient in the face of adversity, creative in the face of diminished options, and compassionate even when they lack for it from others.

We continued to hear, see and read of our supporters, donors, board members and others wanting to give of themselves for those we serve. And yet, we could also hear see and read people who missed true connection. New and old technologies really helped us to stay connected, but as months have now become years, I know we all tired of staring at our own tired faces along with those of others. Face to face connection is what we're all about.

And finally, within ourselves, the staff of the West Side Catholic Center, as we strived to support our clients in every way that we could, both new and old, we did so as we suffered. We all experienced losses we hadn't fathomed under circumstances that only made us feel even more isolated. We grieve those we've lost along with opportunities to see loved ones. We also grieve lost experiences and fun times for ourselves, our children and our families. I know that many of us worked to improve ourselves and many did so, though often in ways that only barely kept our heads above water.

While we do all need more than anyone can give, I am so thankful to the West Side Catholic Center community for still giving its all, and then some, for the sake of those we serve.

Ultimately, I credit a solid foundation that kept WSCC strong and continuously serving people throughout a pandemic-ridden year. While our staff and volunteers stayed strong, and our 19th century buildings held up, the foundation I'm referring to is our mission. From my vantage point, every difficult decision or change was simply filtered through our mission statement to determine if we were on the proper path. It helped to hear from the city and county health departments on what we could do, likewise with the county office of homeless services and sometimes even Cleveland Police as there was unrest at our doorstep, but it was our mission that helped us to know what we were called to do.

Through all of that challenge and suffering, better days await! Thank you for continuously walking alongside us so that in giving, we all receive.

Gratefully,

John Litten
Executive Director

great food. great cause.

Ohio City Pizzeria and The West Side Catholic Center (WSCC) focus on fulfilling ones potential and contributing to the service and support of those in our Community who need and desire a helping hand.

The original Ohio City Pizzeria opened in the 1980's around the corner on Fulton. Founder Angie Zingalis prided herself on great pizza with a sweet sauce. As the business moved to it's current location on Lorain, that quality continued and Angie had visions for what her pizzeria could become with the right partner. That's when conversations with then WSCC Executive Director Anita Cook began about how a partnership could both continue Angie's humble restaurant and build employment opportunities for WSCC clients.

In 2018, that vision came closer to reality as WSCC purchased both the building and the Ohio City Pizzeria business from Angie, and teamed up with Brandon Chrostowski of Edwins Restaurant & Training Institute about what the restaurant could become. Ohio City Pizzeria reopened in July of 2019 as a new venture of WSCC, with a tried and true pizza recipe, some new menu items and a new hope for clients of the Center to reach their full potential.

Since reopening, OCP has employed West Side Catholic Center Workforce Program graduates, some of whom have moved on to work in higher roles at other restaurants. This combination of great food for a great cause persevered through the ongoing Covid-19 pandemic, relying primarily on carry-out orders and has been open longer in this challenging environment than it was reopened pre-pandemic.

We proceed with continued opportunities and room for growth. In 2021 we said goodbye to our inaugural General Manager Sean Paul who guided our reopening. Himself a graduate of Edwins, Sean oversaw all aspects of hiring, training, cooking, management and more. He helped make OCP what it is today.

In August 2021, we welcomed General Manager Mary Knapp, a veteran of restaurants and the social services world, as well as a compassionate advocate for those less fortunate. We are excited for OCP and its employees to thrive under Mary's leadership.

Moving forward, in October 2021 we are embarked on a new model of workforce training that incorporates the Catalyst Kitchens national model for social service restaurants and draws upon all of the strengths of the West Side Catholic Center, it's classroom setting, it's multiple modes of food service and it's talented staff and volunteers. This new culinary training program has already begun sharing its graduates with local Cleveland restaurants.

We hope you enjoyed the food, also knowing you made a difference.

OUR HISTORY

The WSCC was founded in 1977 by a small group of faithful, concerned persons who felt that it was simply unacceptable that their brothers and sisters walked the streets alone and lonely. They borrowed a small Lorain Ave. storefront from St. Ignatius High School and hoped to be a hospitable presence and companion for the homeless in the neighborhood. They soon discovered, however, that their small storefront was too anonymous. They began offering free shoes and clothing to draw clients in.

The concept worked and soon they were asked if food was available as well as clothing. The making of peanut butter and jelly sandwiches began the meals program. Later, when a surprising number of homeless women visited, they were offered the meager accommodations available on the second floor. So began the Shelter program.

Soon they outgrew the storefront and purchased the bar and bowling alley across the street at 3135 Lorain Ave., the same location of the Resource Center today. The additional room upstairs allowed for more shelter space and room to distribute clothes and meals.

In the year 2000 with the aid of a first-ever capital campaign, WSCC acquired an additional building, moved the Shelter into that building (Moriah House) and moved the administrative offices to the second floor. This renovation created the historic district storefronts that exist today.

In 2008 an opportunity arose when WSCC merged with Family Transitional Housing. This program became Zacchaeus Housing Solutions and gave WSCC access to over \$300,000 in funding from the Department of Housing and Urban Development. Today Zacchaeus serves 52 families in rapid rehousing. Families live in scattered sites throughout Cuyahoga County and are provided with case management. The goal of ZHS is when their rent subsidies end, families can remain in their current housing and not re-enter the homeless system.

As the WSCC continued to grow more space was needed for staff and client services. The building at 3209 Lorain was purchased in 2009. The space included a large warehouse and garage which was torn down to provide 16 much needed parking spaces. The remaining building was renovated and in 2010 became home to case managers. The Economic Opportunities Program (now Workforce Development) began in 2012 and is also housed in this building.

As a result of the agency's second-ever capital campaign, launched in 2015, WSCC's support community enabled a complete renovation and expansion of the building at 3135 Lorain Avenue as well as updates to the Moriah House and the Workforce Development building. The ribbon cutting celebrating the completion of the remodeled offices and program spaces was held in the Summer of 2018.

In 2018, WSCC further expanded the campus footprint through the acquisition of 3223 Lorain Avenue and the Ohio City Pizzeria.

After much discernment, consultation, and planning, WSCC re-opened Ohio City Pizzeria in July 2019 as a social enterprise owned and operated by WSCC with a vision to provide employment opportunities and job training to clients of WSCC's programs.

Today, WSCC continues to respond to the needs of the area's vulnerable population, adapting programs and services without compromise to our core ideals and mission to serve all who come in need.
